## Future Needs and Plans

### ➤ Assist in the repayment of £1.2 Million, In order for Darul Uloom to become Debt Free

Since the start of our journey in providing educational services in 2001 a total of £4 million has been spent. This includes the purchase of the Victorian school, its renovations and the flagship construction of the new modern seminary building. £1.2 million from this amount is still outstanding.

Alhamdulillah, all this progress has been possible through the blessings of the Almighty and through the donations and loans of well-wishers.

### ➤ Contribute towards the Annual Running of the Darul Uloom - become a part of this Sadaqah Jariyah

Facilities in the New Seminary Building	
1. Reception offices	8. Admin Office
2. Meeting rooms	9. School Classroom
3. Dining area	10. 32 dormitories
4. Main Kitchen	11. Wash facilities
5. Masjid	12. Library
6. Medical Room	13. Common Rooms
7. Accounts Office	14. Canteen/tuck shop

Alhamdulillah, with hundreds of students and beneficiaries, the Darul Uloom is now a growing seminary offering the Alimiyah, Taheezul Quraan and Academic Studies Programme. As an organisation of this size with boarding facilities, the running costs are quite high. In our case, all of the overheads are simply

not covered by the fees we charge for some of our services.

The educational services which are provided are subsidised, offering an affordable Islamic education for the good of the community and Allah's pleasure. If you make a contribution towards general operating costs, it will go towards the general costs of running all of our projects. If you make a donation under this category you will receive the reward for supporting everything that we do at Darul Uloom Dawatul Imaan.

The Annual Running Costs is: **£575,000**

**‘O you who believe! Spend of that which we have provided for you before a day arrives when there will be no bargaining, nor friendship, nor intercession...’** (Quran, 2:254)

# Renovation of the Victorian School Buildings & Construction of Multi-Purpose Recreational Facilities

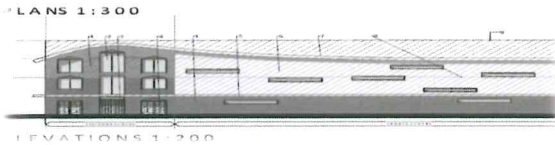

In 2015 a site neighbouring the Darul Uloom was acquired, to extend

play and recreational areas. The works intended are:

- To enhance the learning environment through internal reconfiguration.
- To create additional floor space, a new mezzanine floor.
- To create subject specific classrooms
- To secure the external roof on the old Victorian buildings

- To erect a multi-purpose recreational facility for students

**Overall Projected  
Cost: £3 Million**
